Section 3 How You Obtain Care**

Identification Cards/Enrollment Confirmation

Two ID cards are issued for new members, regardless of coverage option. Existing members are not issued ID cards; the current ID cards are still valid. If additional or replacement cards are needed, you may request them through our website, www.bcbsfepvision.com, or call us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847. All eligible dependents listed on your enrollment share your identification number. You do not need an ID card for each member of your family. You can print a temporary ID card online in our member portal at www.bcbsfepvision.com/portal, view it in our mobile app or contact customer service to verify your eligibility in the plan.
